

Modern Slavery Awareness Training

LGP can deliver Modern Slavery Awareness Training to councils, which can be tailored to include specific content relating to your council.

The training is a 90-minute session delivered either in-person or virtually, that is targeted to all levels of staff within Council. The session covers the following topics.

- ▶ What is modern slavery?
- ▶ What are the different forms of modern slavery?
- ▶ Where is modern slavery most prevalent?
- ▶ Industries and products with higher modern slavery risks.
- ▶ Clues that identify a possible victim of modern slavery
- ▶ Modern slavery legislation affecting NSW local government.

The training can also be tailored to include:

- ▶ What your council is doing to manage modern slavery risks in its supply chain.
- ▶ An outline of the expectations and responsibilities of Council staff in relation to modern slavery prevention.

LGP can also provide modern slavery awareness training on behalf of councils to their suppliers either in-person, virtually or as a pre-recorded video tutorial.
